

CHAIRMAN'S WELCOME

It's hard to believe that we are already at that point of the year where we are yet again celebrating the Worlington Beer & Cider Festival.

A huge thank you to everyone who stepped in to take up a sponsorship package to help support this event. We couldn't do it without you.

As a friendly, inclusive community cricket club it's vitally important that we continue to raise much needed funds to support our ambitions. This year our youth section has grown tremendously and our women's team continue to excel in their league while our three Saturday teams continue to embody our fighting spirit and camaraderie as a village cricket club, often punching above our weight.

We have some big plans for the future and our fundraising efforts will be vital for these ambitions to be realised. At the same time we appreciate that there is a chance to give back which is why once again we will be supporting the East Anglian Air Ambulance with this year's efforts.

I hope you have an enjoyable and memorable Worlington Beer & Cider Festival 2023.
